

# VIDEO CONFERENCING

*Why pay extortionate travelling and overnight costs when University College Northampton can save you on these?*

*Using the video conferencing facilities at UCN can save you both time **and** money!*

There is a dedicated room that can comfortably accommodate up to eight individuals.

The video conference facility at UCN offers 3 ISDN lines to give clear TV and sound quality visuals.

There are also facilities for a laptop to be connected and also to show documents via the visualiser which is attached to the equipment.
